- Creating a sustainable professional routine

Day 5 Final Practical

- Complete commercial/factory case study
- Client consultation simulation
- First-call pricing exercise
- Report preparation
- Remedy presentation
- Branding exercise
- Business-development strategy

5-DAY TRAINING AT A GLANCE

Day	Core Focus	Major Outcome
Day 1	Vastu Fundamentals + Land + Plot + Entrance	Master site orientation and energy mapping
Day 2	Residential Astro-Vastu + Horoscope	Apply Vastu according to individual horoscope
Day 3	Commercial + Industrial Vastu	Analyse factories, offices and business spaces
Day 4	Remedies + Mantra + Yantra + Pyramidology	Design and apply advanced remedial systems
Day 5	Practical Consultancy + Branding + Business	Become professionally ready to handle clients and grow a practice

What Makes This an Advanced Program

This training should be presented as more than a conventional Vastu course. The participant moves through the complete professional cycle:

LAND → PLAN → ANALYSE → ASTRO INTEGRATION → IDENTIFY DOSHA → CREATE REMEDY → IMPLEMENT → MEASURE RESULTS → REPORT → CONSULT → BRAND → MARKET → SELL → BUILD CLIENT RELATIONSHIPS → SCALE BUSINESS
